

## New York City on Exhibit

THE THEME OF ALIENATION IS GIVEN A brilliant color palette in *New Works*, a solo exhibition of paintings by Tom Christopher at the Galerie Barbara von Stechow in Frankfurt.

The exhibit focuses entirely on the energy of the city of New York. "Painting New York has become a platform to explore universal themes such as man's everyday struggle in an urban environment," says Christopher, who celebrates 10 years with the gallery. Through June 15. Tel: 49-69-72-22-44 or [galerie-von-stechow.com](http://galerie-von-stechow.com)
